

Welcome to Bei Dou Kung Fu

Bei Dou Kung Fu Academy is Chicagoland's premier Chinese Martial Arts school. We offer professional instruction in all styles of Kung Fu, from traditional Shaolin and Tai Chi to competitive modern Wushu and Sanda (Sparring and Self-Defense).

Our school's mission is twofold. At the collective level, we seek to promote knowledge and appreciation of the Chinese Martial Arts so that more members of our community can share the health benefits and enjoy the aesthetic qualities of Kung Fu. At the individual level, we strive to inspire students to set high standards for themselves and work diligently to achieve their goals. Bei Dou Kung Fu's core teaching philosophy revolves around the following three words:

关爱 *Care*

快乐 *Happiness*

健康 *Health*

Our instructors are all professional Wushu champions and coaches from China. We offer group and private lessons 6 to 7 days a week. We maintain a low student-teacher ratio in order to maximize the quality of our instruction. Please feel free to contact us at any time with questions!
